Re: North American and Global Certification of Cebora Products

Dear Bill,

After review and testing at the Ford Paint and Body Technology Center, I am pleased to announce our approval of the following Cebora/Cebotech products:

Cebora Inverter Double Pulse MIG Welder, Model 301

Cebora Inverter Double Pulse MIG Welder, Model 302

Cebora Aluminum Stud Welder, Model 2156

Cebora Inverter Plasma Cutter, Model 279

Cebora Synergic Pulse Inverter MIG Welder, Model 322

Thank you for allowing us to review these products. Please use this information as you require to reinforce your excellent standing with the Ford Motor Company.

Thank You, and Best Regards,

Gerry Bonanni  
FCSD Paint & Body Senior Technical Engineer
